Power Splitter / Divider

Wideband splitter designed to offer optimal performance for 3 way equal split distribution in the UHF 400MHz bandwidth. PS3N-4050/P50 besides being of small and compact size yields an excellent SWR yet with minimal insertion loss, making it ideal for easy in-building installation.

Model	PS3N-4050/P50
Type	3 way divide
Frequency	400-500MHz
VSWR for full bandwidth	<1.3:1
Insertion Loss	<0.5dB
Isolation	>20dB
Impedance	50 ohms
Power Rating	50 watt
Operating Temperature	-30°C ~ +60°C
Connector	N Female
Dimension	113 x 117 x 19 mm
Weight	Approx. 0.35 KG
