

A wideband 2 way splitter that offers 2 equal split distribution for the entire bandwidth from 400MHz to 1000MHz, tic-tech PS2N-40100/P100 incorporates the standard industry features of excellent SWR, optimal isolation and low Insertion Loss

Model	PS2N-40100/P100
Type	2 way divide
Frequency	400-1000MHz
VSWR for full bandwidth	<1.2:1
Insertion Loss	<0.3dB
Isolation	>25dB
Impedance	50 ohms
Input Power	100 watt
Operating Temperature	-30°C ~ +60°C
Connector	N Female
Dimension	105 x 125 x 30 mm
Weight	Approx. 0.5 KG
